RECLAIMING YOUR ANIMAL

If your animal is brought into Keokuk Animal Services as a stray and impounded, you will need to visit the facility to reclaim them. You will be asked to provide either the current Rabies Certificate or veterinary contact information, so that it can be verified that the animal has a **CURRENT** rabies vaccination as required by state law and city ordinances. If your animal does **NOT** have a current rabies vaccination you will be required to pay for one at the time of reclaim. You will also be required to pay a daily boarding fee, a pick-up fee, and purchase a city license for your animal if they don't currently have a city license.
